

## Coriant Subscription Library Catalog

### 5500 Content

#### 5500 DCS System Architecture Overview Series

System Overview  
 System Access  
 Administrative Complex  
 Network Complex  
 Port Complex  
 HD-96 Port Shelf  
 Consolidated Core Switch

#### W55SAO

W55SO	3 hours	eLearning
W55SX	2.5 hours	eLearning
W55SA-AC	1 hour	eLearning
W55SA-NC	1 hour	eLearning
W55SA-PC	1 hour	eLearning
W55SA-PS	1.5 hours	eLearning
W55SA-CSS	1 hour	eLearning

### 7090 Content

#### 7090-05 CE Operations Series

System Overview  
 Communication Basics  
 Application Configuration  
 Ethernet Connectivity Fault Management  
 Performance Monitoring and RFC 2544 Testing

#### 7090 CE Network Building and Maintenance Series

7090 CE Gateway Node Inband Management Configuration using CLI  
 7090 CE Network Node Inband Management Configuration using CLI  
 7090 CE Node Outband Management Configuration using CLI  
 7090 CE Node Installation using 8000

#### 7090 M System Architecture and Applications

7090 M System Overview  
 7090 M Hardware and Functionality Part 1  
 7090 M Hardware and Functionality Part 2  
 7090 M MPLS-TP  
 7090 M Services  
 7090 M OAM  
 7090 M QoS  
 7090 M Protection  
 7090 M DCN

#### 7090 M MPLS-TP Tunnel Management Series

7090 M Automatically Routed MPLS-TP Tunnel Creation using NetManager  
 7090 M MPLS-TP Miscellaneous Operations using NetManager  
 7090 M Manually Routed MPLS-TP Tunnel Creation using NetManager

#### 7090 M Network Configuration Series

7090 M Domain Management using NetManager  
 7090 M Network Element Management using NetManager  
 7090 M Ring Management using NetManager  
 7090 M Section Management using NetManager  
 7090 M Subnet Management using NetManager

#### 7090 M Network Element Configuration Series

7090 M Physical Interface Configuration using NetManager  
 7090 M Subrack Management using NetManager  
 7090 M Series New Features in FP3.0.10

#### W709005O

W709005O-SO	15 minutes	eLearning
W709005O-CB	20 minutes	eLearning
W709005O-AC	20 minutes	eLearning
W709005O-ECFM	20 minutes	eLearning
